Dear Mr. Lange:

We acknowledge receipt of your letter of March 8, following our recent discussion of patent infringement on our No.272 Dial Trip Waste.

Rather than comment at this time on the proposition you made, the writer would much prefer to go to Chicago and talk the situation over with you. This week seems to be pretty well taken up, but no doubt next week will work out better. We can ascertain by phone whether it will be convenient for you to see me.

With best regards, we are

Yours truly,
